

ABOUT ME

For a long time (still) successfully active in the SEO sector, at this point also open and looking again for other and new opportunities

EXPERIENCE

Head of SEO 2020 – 2021
SEO Consultant 2018 – 2020
Saint Julian's, Malta

Responsible for everything regarding SEO and Digital Marketing for Global Gaming (bought out by Entain) and a handful of other clients.

co-founder 2020 – 2021
Expired Links, London

Together with a colleague, I came up with a concept for a SAAS (software as a service) that makes the lives of SEOs simpler. Then have this concept developed by an external software company that created the concept and then breathed life into it. The project was online for some time and was successful until it was no longer profitable.
